

**IOWA HIGH SCHOOL
ATHLETIC ASSOCIATION**

2018/19 IOWA HIGH SCHOOL SEASON

Attention Female Iowa High School Wrestlers:

Here are the schools, dates, additional divisions, wrestling coach's name, and athletic director's contacts for high schools hosting female divisions in their events. For more information feel free to contact IHSAA about participation in the events or if your school wishes to add an event.

Even with the addition there are no guarantees your program will send your female high school wrestler to these events. Parents and coaches wishing to have their athletes participate must advocate as far in advance as possible. Speak with your coaching staff and athletic director to find ways to respectfully request and enable these opportunities.

Your wrestler will be held to the same team eligibility, weight certifications/requirements, number of weigh-ins, and rules as outlined by the state of Iowa and the IHSAA. They also must be coached by an Iowa BOEE Certified Coach.

So, speak with your schools administration and coaching staff ASAP! The contacts they will need to verify the information and sign your wrestler up for the events are provided here.
